Track Lighting

When you need a portable lighting set-up for display or exhibit installations, track lighting may be your best choice. SLD's tracks are fitted with pipe clamps so you can attach them to a piece of truss, an exhibit booth or a section of pipe. The portable live end feed (#X1035) allows you to plug the track into a standard wall outlet.

Model #	Description	Lamp Wattage	Throw Distance	Rental Price up to 3 days	Rental Price each additional day
XHHT802	MR16 Track Fixture (black is standard)	75	up to 15'	\$13.50	\$1.00

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X1004	4' Track	\$7.50	\$.50
X1008	8' Track	\$10.50	\$.50
X1025	Joiner to connect 2 pieces of track	\$1.50	\$.25
X1035	Portable Feed for use with a standard wall outlet	\$7.00	\$.50

Portable Exhibit Lights

Portable exhibit lights are used to light temporary exhibits, booths and displays. Each unit periscopes from 22" to 32" and comes with a 10' cord and a clamp to attach the fixture to a flat surface 1/2" to 2 1/2" thick.

Model #	Description	Lamp Wattage	Throw Distance	Rental Price up to 3 days	Rental Price each additional day
XDL150	Wall Wash Fixture	200	8'	\$18.00	\$2.00

Exhibit Booths and Room Dividers

Exhibit booths and portable room dividers are for creating partitions in auditoriums, hotels and convention centers. They're quick to set up and take down. No tools are required. The system is made up of four components: uprights, bases, drape supports and drapes.

Bases The weighted bases sit on the floor and support the uprights. Two sizes are available. Order according to the height of the uprights.

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
XEXB15	Base for 8' Upright	\$9.00	\$2.00
XEXB24	Base for 8' to 12' Upright	\$10.00	\$2.00

Uprights Uprights are the poles that attach to the floor bases to create the sides of your structure.

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
XEXU8	8' Upright	\$9.00	\$2.00
XEXU8T12	8' - 12' Telescoping Upright	\$9.00	\$2.00

Drape Supports The drape supports are the horizontal pipes that sit between the two uprights and hold the drapes.

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
XEXTD6	6' to 11' Drape Support (button stops at 8' & 10')	\$8.00	\$2.00
XEXTD8	8' to 14' Drape Support (button stops at 8', 10', 12' & 14')	\$9.00	\$2.00

Drapes Drapes are 4' wide and come in various heights. Use one panel for every 3' span. Black drape is standard.

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
XGFD8	8'H x 4'W Drape	\$10.00	\$1.00
XGFD10	10'H x 4'W Drape	\$13.00	\$1.00
XGFD12	12'H x 4'W Drape	\$13.00	\$1.00

Platforms

SLD's dual height platforms measure 3' x 4' and can be easily joined together to form a larger stage. Our rental division also has entire packages available (see page 18).

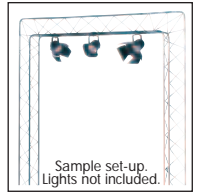

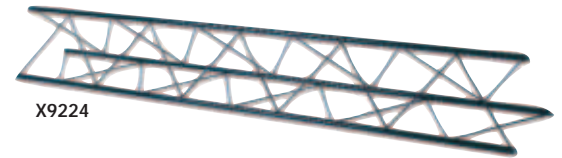

Model #	Size	Height	Rental Price up to 3 days	Rental Price each additional day
X3416DH	3' x 4'	16" & 24"	\$60.00	\$5.00

Decorative Truss

Ideal for hanging lightweight lighting fixtures. Commonly used for exhibits and displays. The 8³/₄" black triangle truss sections bolt together to form longer spans while the corners and "T"s increase the design capacity.

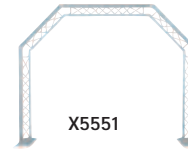

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X9224	8 ³ / ₄ " Black Triangle Truss x 6' Long	\$22.00	\$5.00
X9223	8 ³ / ₄ " Black Triangle Truss x 4' Long	\$18.00	\$3.00
X9225	90° Corner for 8 ³ / ₄ " Triangle Truss	\$22.00	\$3.00
X9232	Base Plate for 8 ³ / ₄ " Triangle Truss	\$18.00	\$1.00

Theatrical Truss

Used primarily for stage, club and theatrical applications for mounting lights.

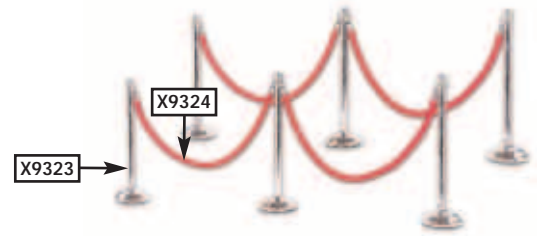

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X92034	10' Triangle Truss with 2" Tubing	\$50.00	\$5.00
X5551	Portable Truss System	\$75.00	\$25.00

Stanchions

Ideal for pedestrian control in high traffic areas in theaters, schools, retail stores and night-clubs. Red velour ropes are available in 6' sections.

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X9323	Chrome Stanchion	\$17.00	\$2.00
X9324	6' Red Velour Rope	\$12.00	\$1.00

Motors

SLD provides a complete line of motors (ceiling turners) and turntables (for floor displays) that can add movement and emphasis to display areas such as store windows, trade show exhibits and clubs. Some models are equipped with a convenient electrical outlet which provides current to displayed rotating products.

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X10C	8 lb. Capacity Ceiling Turner	\$5.00	\$5.00
X25C	12 lb. Capacity Ceiling Turner	\$5.00	\$5.00
X9200	40 lb. Capacity Ceiling Turner	\$25.00	\$3.00
X9203	40 lb. Capacity Ceiling Turner with Rotating Outlet	\$40.00	\$5.00
X9206	40 lb. Capacity Turntable with 12" Top	\$40.00	\$5.00
X9208	100 lb. Capacity Turntable with 17" Top	\$50.00	\$10.00
X9218	1200 lb. Capacity Turntable with 43" Top and Rotating Outlet	\$150.00	\$25.00

Easels

Sturdy, aluminum tripod easel swings open and locks securely in place with one motion. Ideal for displays, exhibits, lobbies and presentations. Holds signs from 11" x 14" to 4' x 6'.

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
XQFESL	Aluminum Tripod Easel	\$15.00	\$4.00

LED Lights

X3324

X5187

X5176

Color changing, color mixing LED fixtures are designed for architectural, design and nightclub use. Long life LED lights produce rich colors that you can change on demand.

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X3324	LED PAR64	\$50.00	\$5.00
X5176	LED 8 Light Package	\$125.00	\$10.00
X5187	LED Panel	\$25.00	\$5.00

LED Packages for Display & Nightclubs

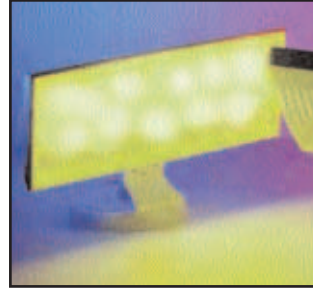

X3LEDPAR Projection range in lighted area up to 15' • Projection range in darkened area up to 50'
X3LED12 Projection range in lighted area up to 15'

Each package includes 3 light fixtures designed for display, architectural & club applications. Ideal for color washing. Each fixture has red, blue & green LEDs that can be mixed to create a variety of colors. Each package comes with the CDIAL simple DMX Color Controller. Fixtures can cross-fade from one color to the next, strobe, chase or remain on one color. LED packages offer an extremely long life LED light source, low heat output & low power consumption. Fixtures are capable of producing an array of rich colors and are DMX controllable.

Each X3LEDPAR system includes:

- Three LED PAR64 color blending fixtures
- One 150 watt power supply that will power up to 3 units
- One color changing controller
- One 50', 5-pin DMX cable
- Three 25', 4-pin DMX cables

Each X3LED12 system includes:

- Three LED Wash color blending fixtures
- One 150 watt power supply that will power up to 3 units
- One color changing controller
- One 50', 5-pin DMX cable
- Three 25', 4-pin DMX cables

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X3LEDPAR	3 Fixture PAR LED Package	\$275.00	\$25.00
X3LED12	3 Fixture Colorblast LED Package	\$275.00	\$25.00

Mirror Balls

Model #	Description	Rental Price up to 3 days	Rental Price each add. day
X4300	8" Mirror Ball with Motor	\$15.00	\$1.00
X4302	12" Mirror Ball with Motor	\$15.00	\$1.00
X4303	16" Mirror Ball with Motor	\$20.00	\$1.50
X4304	20" Mirror Ball with Motor	\$25.00	\$2.00
X4302PK1	12" Mirror Ball Package	\$27.00	\$2.00
X4303PK2	16" Mirror Ball Package	\$32.00	\$2.00

Mirror balls are used to create rotating dots of light. For best results, shine 2 - 4 pinspots (X4020) on the mirror ball. Mirror ball packages come with 1 mirror ball, a motor, 2 pinspots & 2 color caps.

Accessory			
Model #	Desc.	Rental Price up to 3 days	Rental Price each additional day
X4020	Pinspot	\$7.00	\$1.00

Flame Effects

X8250

X108

XDC2

SLD has a selection of flame effects that use a unique combination of airflow, light and fabric to create a realistic fire effect. Available in a hanging bowl and a floor stand version. The XDC2 projects brilliant flame effects.

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X8250	Fire Effect in Hanging Bowl	\$50.00	\$5.00
X108	Super Flame Free Standing Effect	\$70.00	\$5.00
XDC2	Fire Effect Projector	\$40.00	\$5.00

Strobes

X4042

X404

XFL900

Our stick strobe (X4042) is a real attention getter producing random flashes of light similar to a camera flash. Our other strobes feature variable speeds and produce a stop-motion effect.

Model #	Description	Area of Coverage	Rental Price up to 3 days	Rental Price each additional day
X4042	Stick Strobe-random flash	•	\$3.00	\$5.00
X404	Club Strobe	15' x 15'	\$20.00	\$1.50
XFL900	High Power Club Strobe	25' x 25'	\$40.00	\$5.00
Accessory				
X4045A	Remote Speed Control for X404 & XFL900		\$5.00	\$5.00

Scanning Beacon

Police beacons produce revolving beams of light in 1 of 4 colors: red, blue, green or yellow.

X4059 Red

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X4059	Police Beacon (specify color)	\$15.00	\$1.00

Blacklights are used to make certain objects glow in the dark.

Model #	Description	Watts	Projection Distance	Rental Price up to 3 days	Rental Price each additional day
X4090	4' Fluorescent Blacklight	40	10'	\$15.00	\$1.00
X4091	Blacklight Projector	250	20'	\$50.00	\$5.00

Fog Machines

SLD has a variety of fog machines available for rental. The typical fog machine produces a burst of fog that rises. Our low lying fog machine creates an effect that hugs the ground.

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X4082	1000 Watt Fog Machine	\$50.00	\$5.00
X5571	Low Lying Fog Machine (uses Ice Cubes)	\$85.00	\$10.00
XAquaFog	Low Lying Fog Machine (uses Dry Ice)	\$150.00	\$20.00

Sound Activated Special Effects

These effects feature multicolored light beams that move to the beat of the music. Several units also project patterns & shapes. Best performance when used with a fog machine (see above).

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X4242	Mushroom Effect - projects 30 beams of sound activated, multicolored light	\$25.00	\$5.00
X4005	Double Derby - projects 32 beams of multicolored light that rise, fall & criss-cross to the beat of the music	\$30.00	\$5.00
X8290	Goboflower - projects a variety of multicolored patterns that spin back & forth to the beat of the music	\$30.00	\$5.00
XTREX	TREX Effect - projects a variety of patterns and colors onto the dance floor. Sound activated	\$40.00	\$5.00

Centerpiece Effects

Centerpiece effects are generally hung in the center of your dance floor to achieve the maximum effect. Most units spin, projecting beams of light throughout the room.

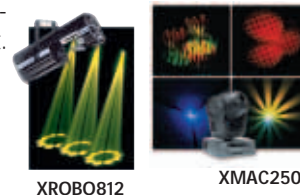

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X4461	Spinning Star - projects thin, white beams of light that rotate around the room	\$35.00	\$5.00
X6621	Spinning Star Multicolor - projects thin, multicolored beams of light that rotate around the room	\$35.00	\$5.00
XSL95262	Gimini - 2 balls project multicolored beams that spin & rotate	\$30.00	\$5.00

Intelligent Lighting Effects/Scanners

Intelligent scanners that vary in wattage & sophistication. Though each unit has a stand-alone mode, we suggest renting an intelligent lighting controller (pg 8) enabling you to control the color & pattern selection & movement of the unit.

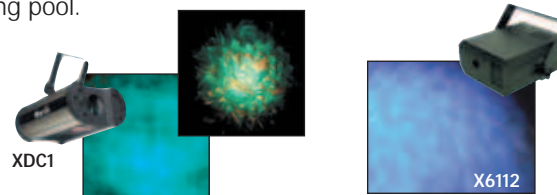

Model #	Description	Lamp	Colors	Patterns	Rental Price up to 3 days	Rental Price each additional day

Accessories

Model #	Description	Rental Price up to 3 days	Rental Price each additional day
X9109	Barndoor for 3" Fresnel	\$5.00	\$.50
X9156	Barndoor for 6" Fresnel	\$5.00	\$.50

Floodlights

Floodlights are designed to produce a general wash of light. The Q-Lite (X4251) is a compact floodlight that has a very broad beam ideal for illuminating a wall or large, open area. Borderlights are used for lighting scenery, cycs, backdrops and walls. Both the 6' and 8' borderlights can be connected to form longer lengths.

Model #	Description	Watts	Projection Distance	Rental Price up to 3 days	Rental Price each additional day
X4251	Q-Lite Floodlight	500-1000	up to 20'	\$20.00	\$2.00
X3037	6' Borderlight 12 Lamps	90 per lamp	up to 20'	\$50.00	\$5.00
X3038	8' Borderlight 16 Lamps	90 per lamp	up to 20'	\$60.00	\$5.00

Pattern Projectors / Ellipsoidals

Ellipsoidal spotlights are used for pattern projection. They also produce circles of light as well as a variety of shapes made possible through the use of four built in framing shutters. A variety of stock patterns are available. Custom patterns such as your company logo can also be purchased. Please call for pricing.

Model #	Description	Beam Spread	Watts	Projection Distance	Rental Price up to 3 days	Rental Price each additional day

Dimming and Control Equipment

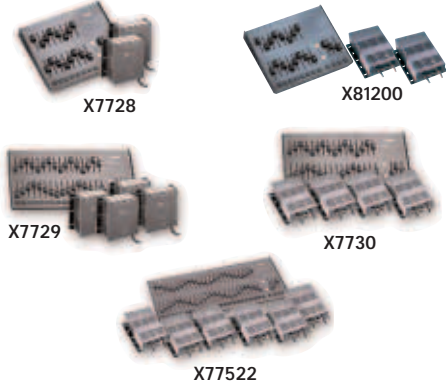

Dimmers are used to increase or decrease the intensity of light. For simple set-ups, SLD has available self-contained dimmers that do not require separate dimmer packs — all you do is plug in your light fixture, bring power to the console and you're ready to go. If you require a more sophisticated system with programmable memories and scenes, choose one of our complete dimming packages equipped complete with console, dimmer packs and control cables. Consoles and dimmer packs can also be rented separately, please call for pricing.
